

It's Not Too Late! Seasonal Influenza Vaccinations Available!

The Centers for Disease Control have predicted a potentially worse than usual flu season. Protect your family with a seasonal flu vaccination.

- **All Beneficiaries aged 6 months and up:** Walk in to your *assigned* clinic for flu vaccination. No appointment is necessary. Flu vaccinations may also be given during scheduled appointments.
- Flu shots are also available at local retailers (age limits may apply). TriCare covers flu vaccinations for beneficiaries.
